Why: This effort helps to obtain a snapshot census of people experiencing homelessness in Ventura County and gain access to state and federal funding.

What: Volunteers canvass the community in pairs and collect survey data by interviewing homeless persons. A smart phone or device will be needed to download the *Counting Us* mobile app for the survey.

Who: Volunteers must be 18 years or older and have the ability to walk distances in designated locations. You may select preferred city locations when you register.

Volunteer training will be offered in early January 2020.
