Dear Affordable Housing Advocate,

The housing crisis in Ventura County is reaching a breaking point—and we can't fix it without YOU. Veterans, teachers, farmworkers, first responders, and families are being priced out of their communities. Housing is scarce, aging, and unaffordable. Vacant public land throughout the county such as school surplus properties have the potential to be used for affordable housing, but we need your support!

Join us:

The Community Lands for Affordable Housing Forum on **Wednesday, June 11, 2025, from 3:00 PM to 5:00 PM**, will give YOU the chance to dive into the heart of the issue and become part of the movement to fix it.
